Hi! I am Evan Harper! This will be my 2nd year working at The Schools @ St. Andrews. I was a hairstylist for several years before I became a stay at home mother the last 4 years. I'm so excited to be working with your children this year! My husband Taylor and I have two daughters Saylor (5) and Sevana (4) who attend Blessed Beginnings Preschool. Most of my spare time is spent doing things with my family like gymnastics or camping. I look forward to learning and growing together!
