Hi! My name is BreAnne Foutch (Mrs. Bre). This is my second year at Blessed Beginnings. I love working with children because of their joy. I love their conversations and love for learning, and their sweet hugs that can instantly brighten your day! I have a degree in Child Development from UCO and have experience with all ages. I am blessed and excited to be a Busy Bee Teacher. A little more about me! I have been married to my husband, Jason for over 11 years. We have been blessed with two children. Our daughter Maggie (11) and our son, Collin (8). I enjoy watching my kids play sports, reading, being outdoors, riding bikes, my church, being active in the PTA, and spending time with family and friends. I also love getting to know people! I am thankful to get to have your child in class this year. I look forward to getting to know your child and your family!
