

Meet the Teacher

About Me

Hi! My name is Ms. Emily and PreK is my jam! This will be my 5th year in the Leap Frog class.

I attended Harding University where I met my husband Scott, and we've been married for 30 years. Our boys, Matt (15) and Will (10) keep us busy with school, sports, and activities.

When I have the chance, I enjoy reading, scrapbooking, and going to Disney World. Most often, you can find me at the ballfield or marching band field, cheering on my boys. I look forward to a great year learning and growing with the Leap Frogs!
