My name is May Moon. I am very blessed to be starting my 5th year at The Schools of St. Andrew's to teach in the Busy Bee class. My husband Michael MacGregor and I have been married for 20 years. We have three children. Maddex, Miles, and Madison. I was a stay at home mom for 7 years after working in various areas of Human Resources for Oklahoma City Community College and Enterprise Holdings. In my free time, I love exploring new opportunities and having fun with my kids, exercising at Orange Theory, shopping at TJ Maxx and Target, and spending time with family. I am thankful to have your child in class this year and I look forward to getting to know your precious child and your family!
