My name is Julie Kewley and I am so blessed to be starting my 15th year teaching here. My love for children has brought me here to teach your child. I grew up in Illinois and received my BA degree in Psychology from Monmouth College in Monmouth, Illinois. I met my husband Mike at Monmouth and we just celebrated our 41st anniversary. Mike has been an agent with Farmers Insurance for over 35 years. Our daughter Michaela is beginning her career in child development.

I love our Wiggly Worms class and look forward to meeting our new students this year!
