My name is Erica Bonner. I feel so blessed to start my 4th year teaching here. This is my passion. Something about this age and their little hearts full of excitement is so fun to be around. I love being able to teach them about Jesus.

My husband Byron and I have been married 14 years. He is a Neuro Optometrist. We have two kids, Keltie (9) and Kellan (7). We are both from Oklahoma and love exploring as a family. Our church home is Out of the Box in Blanchard. I am a youth leader at Life Church Moore for the High School kids on Wednesday nights. Any other night you can catch me cheering on one of my kids games, serving, or relaxing at home.
