I am Heather Ward. Director of Blessed Beginnings Preschool and St. Andrew's Christian School, I am thankful to have been a part of the school since its start in 2007. I have a passion for education and love for the church. I grew up playing school and knew I wanted to be a teacher since an early age. I love a theme, especially when it comes to education, children's literature and curriculum planning. I graduated with my BA in Elementary Education and Bible/Theology from Mid-America Christian University. After graduation, I enjoyed teaching in the Moore School District for several years before staying home with our first child. I am happily married to my husband, Jamie, and we have two beautiful children, Brock and Brooklyn. I enjoy spending time with family, attending our children's activities, and being active in our church at St. Andrew's UMC
