## **April Claybaugh**

Hello! My name is April Claybaugh. This will be my 13<sup>th</sup> year as a Busy Bee teacher. Blessed Beginnings has been close to my heart since it's creation 16+ years ago. My son was one of the first students to attend and my youngest daughter followed suit. As a certified Para-Professional, I absolutely love watching these precious ones navigate through life. "A-ha" moments are my favorite! Teaching young children to love God and love learning through fun and silliness is awesome.

My husband, Aaron, and I met while attending the University of Oklahoma and have been married over 24 years. We have three amazing kids; Mallory, Jacob and Morgan.

I am looking forward to another spectacular year.
