Ted's

Hi! My name is Ms. Emily and Pre-K is my jam! This will be my 8th year in the Leap Frog class. I attended Harding University where I met my husband Scott. Our boys, Matt (18) and Will (13) keep us busy with school, sports, and activities. When I have the chance, I enjoy reading, snuggling my dogs, and going to Disney World. Most often, you can find me here at school or enjoying time with my family. I look forward to a great year learning and growing with the Leap Frogs!
