Hi! My name is Felicia Jacques, and I'm so excited to be starting my first year at St. Andrew's as one of the Tiny Turtle teachers! I feel so blessed to have the opportunity to be part of your child's early learning journey and can't wait to get to know each of your little ones. My family keeps me smiling! My husband, Manuel, and I have been together for 10 years, and we're excited that our 3-year-old daughter, Jhonni, will be starting her first year at St. Andrew's alongside me as a Busy Bee. Our family also includes my 17-year-old stepson, Adriel who lives in Texas. When we're not at school, you'll usually find us outside enjoying the fresh air, spending quality time together as a family, or cheering on the OKC Thunder! We love making memories together and finding joy in the little things. I'm so thankful for the chance to watch your children learn, grow, and explore this year. can't wait to make this an amazing year together!
