I feel so blessed to be part of your child's academic journey. I have been at BBP for 11 years and have taught both pre-k and kindergarten. I have a Bachelors in Child Development and Business. When I am not teaching, I am helping with my family's business. My husband (Brad) and I have two daughter's, Savannah (15) and Charlee (4) who will be in the Leap Frog class. We also have three dogs. My family keeps me really busy but if I have a free moment I love reading, binge watching true crime, organizing anything, shopping, and camping.
