Sonic and Panda Express

Restaurant:

McAlister's and Bricktown
Brewery

Hi! I'm Kim Johnson and I am excited to be the Music and SOAR teacher this year! This is my third year at The Schools. I have a Bachelor's degree in Family and Human Services from John Brown University. I spent 10 years in the social service field before transitioning to teaching Pre-K. My husband, Casey, and I have been married for 14 years and have two amazing daughters, Tegan (10) and Jade (6). Both of our girls do competitive cheer, so outside of school you will find us at the gym. I love spending time with family, traveling, watching movies, logic puzzles, and the Arkansas Razorbacks!
