I feel so blessed to be part of your child's academic journey. I have been at BBP for 15 years and have taught both Pre-K and Kindergarten. I have a Bachelors in Child Development and Business. When I am not teaching, I am helping with my family's business. My husband (Brad) and I have two daughters, Savannah (18) and Charlee (7) who will be in 2nd grade at The Schools of St. Andrew's. We also have two dogs. My family keeps me really busy but if I have a free moment I love reading, binge watching true crime, organizing anything, shopping, and camping.
