My name is Julie Kewley and I am so blessed to be starting my 19th year teaching at BBP. My love for children has brought me here to teach your child. I grew up in Illinois and received my BA degree in Psychology from Monmouth College in Monmouth, Illinois. I met my husband Mike at Monmouth and we just celebrated our 45th anniversary. Mike has recently retired after 38 years with Farmers Insurance. Our daughter Michaela has started a new job with a pain management center to learn medical coding. Her husband Reid works as an Assistant DA for Oklahoma County. I love our Wiggly Worms class and look forward to meeting our new students this year!
