Costco

Fast Food:

Taco Bell

Restaurant:

Oliveto Italian Bistro

Hello I am Morghan Denys! This will be my 2nd year working for The School's at St. Andrew's. I am excited to be in Wiggly Worms class. I have worked in childcare for about six years. Three of those years running my own in-home daycare. My Husband Zac and I have two kids, Autumn (7) and Jameson (2). Autumn attends SACS and will be going into 2nd grade this year. In my spare time you can find me spending time with my family whether it is at home doing arts and crafts and board games or outside somewhere hiking or enjoying the lake. I am looking forward to this year and getting the chance to know you and your kids and having the privilege to watch each one of them learn and grow!
