Dot Wo & Hidalgo's

Hello, my name is Claire Hartman. I'm so excited to be working with your children and helping them grow this year! I have 17 years of experience working in education, with this being my first year working at St. Andrew's Christian School and Blessed Beginnings. This is my third year as a SACS and BBP mom. We are very blessed to be part of such a wonderful school. I have been married to my highschool sweetheart for 17 years. We have three children, Caden (10) , Ezekiel (7), and Elliana (6). As a family we love to go to the zoo, explore the outdoors, and enjoy family movie nights together. In my spare time you can find me cheering on my kids at their various sports, reading a good mystery, or organizing.
